Our annual SPINATHON benefits WISE

WISE leads the Upper Valley to end gender-based violence through survivor-centered advocacy, prevention, education and mobilization for social change. Our vision is a world of freedom, justice, equality and dignity where all thrive.

For almost 50 years, WISE has been the sole provider of crisis advocacy and support for victims of domestic violence, sexual violence, and stalking within 21 communities of the Upper Connecticut River Valley of New Hampshire and Vermont. WISE is a non-profit organization dedicated to supporting people and communities impacted by domestic violence, sexual violence and stalking. WISE offers a confidential and free 24-hour crisis line, peer support groups and workshops, emergency shelter and transitional housing, safety planning and accompaniment to hospitals, police stations, court houses and other social service agencies. WISE trains medical, legal, and law enforcement professionals on how to effectively respond to the complex needs of survivors. WISE works with youth, professionals, and the community to develop relevant and comprehensive prevention strategies. WISE is committed to engaging everyone in learning to recognize and eliminate the root causes of violence.
